About Barry L. Bell

For more than 25 years, Barry Bell has focused primarily on the analysis and quantification of damages in commercial litigation matters. He is experienced in analyzing complex matters; identifying relevant issues, information and approaches; and cogently communicating, via expert reports and testimony, the resulting opinions to interested parties.

Mr. Bell has extensive experience in analyzing damages in a wide variety of actions, including intellectual property infringement/misappropriation, breach of contract, breach of fiduciary duty, and fraud, among others, across a broad industry spectrum. Mr. Bell frequently provides expert witness testimony related to damages in intellectual property-related disputes and other complex commercial litigation matters.

About Echelon

Echelon Analytics is a recognized leader in expert witness services, economic and financial analysis, business consulting, and financial investigation. From its offices in Dallas, Houston, and Salt Lake City, the firm works with law firms, corporations, government entities, and private individuals across the United States and internationally in matters involving commercial damages, intellectual property disputes and valuation, and banking and finance litigation.
