 CONTACT

Grant Juengling is a forensic accountant with more than 15 years of experience providing guidance on financial investigations, litigation services, and risk management. Mr. Juengling assists executive level management and legal counsel in identifying and reviewing relevant financial and economic information, developing and supporting financial models and damages claims, and analyzing damages claims from opposing parties.

Mr. Juengling's work has been utilized in civil litigation and criminal prosecutions of former officers and directors, employees, insiders, outside professionals, and other parties alleged to have caused damages, received preferential transfers, or committed illegal acts. He regularly assists clients with business disputes and litigation matters and has been engaged by counsel to provide investigation, analysis, and expert opinions regarding these matters.

Mr. Juengling has also led risk management engagements including vendor audits, contract sensitivity analyses, enterprise-wide risk assessments, internal audit planning and execution, IT audit support, and SOX compliance readiness consulting.
